

Dear Student,

Earn **<collegename>** money by using a special dial up number for connecting to the Internet using your computer.

The more you use the Internet, the more money your college gets! The cost to you is just the same as using any other dial-up connection at local rate call charges.

We can also offer you web email, with forename.surname@collegedialup.co.uk for free in case you don't have an email address yet. Just visit www.collegedialup.co.uk/email once you have set up your connection and fill in the application form.

Please follow the instructions below, If you get stuck, you can call our support line to get full instructions on 09012 050000 *
